ST BRIGID – SECONDARY PATRON OF IRELAND 1ST FEBRUARY 2026

A PRAYER ATTRIBUTED TO ST BRIGID

I should like a great lake of finest beer
For the King of kings.
I should like a table of the choicest food
For the family of heaven.
Let the beer be made from the fruits of faith,
And the food be forgiving love.

I should welcome the poor to my feast,
For they are God's children.
I should welcome the sick to my feast,
For they are God's joy.
Let the poor sit with Jesus at the highest place,
And the sick dance with the angels.

God bless the poor,
God bless the sick,
And bless our human race.
God bless our food,
God bless our drink,
All homes, O God, embrace.

PARISH PASTORAL COUNCIL PROJECT Update on what's happening! Our biodiversity-rich planted areas are taking a break. The plants in the cement planters and flower beds are now dormant. The pollinator-friendly perennials have been pruned back and are resting before there'll be an explosion of colour again for late Spring and Summer. Soon however the pollinator bulbs will begin to display their vibrant colours. The crocuses will be the first to flower followed by narcissi, tulips, daffodils, muscari and allium.

Before Christmas, over 2,000 pollinator bulbs were planted by the 6th classes and a 4th class from St Brigid's School. It was a privilege to experience their excitement as they planted - they will watch them grow and look after them! The bulbs donated by Farmer Gracy were planted in poor weather conditions last Saturday. I'm very grateful to Aileen, Cathy, Martin, Francis and Desmond who engaged enthusiastically - sorting, digging and cleaning the ground area in preparation for the planting, and to John who planted about 50 bulbs - we were rained off from planting! We were all wet and mucky after almost four hours working in not ideal conditions.

In a couple of months the impact of our work will be visible in multicoloured beautiful blooms. The challenge now is to discourage children from playing in these planted areas. The rustic-fenced conservation area is preserving places for wildlife to thrive - shrubs that were trampled on have sprouted back up and birds have nested undisturbed. It would be very helpful for our Parish Cry of Earth project if we all supported this conservation growing area and avoid trampling on bulbs now peeping above the ground! Allow them to grow and pollinate. A suggestion - read *The Cry of the Earth – The Cry of the Poor* by our Archbishop, Dr. Dermot Farrell. If you have an interest in supporting our project and can offer advice on planting and maintenance, please contact Mags Condon - 086 839 2518
